# More Than the Numbers

You are always there for others. Let Sorren be there for you.

**At our core, we share your commitment to making a meaningful impact to our communities where we live and our world for the next generation. Together we can work to sustain your mission.**

With our extensive expertise in working alongside nonprofit organizations, we are your trusted partner in navigating the complexities of financial reporting, tax compliance, and consulting services specific to the nonprofit sector. Together, we will unlock your organization's full potential by addressing your unique accounting needs, enabling you to focus on what truly matters: transforming lives and uplifting communities.

Our deep understanding of the nonprofit landscape allows us to tailor our services to fit your distinct financial and tax reporting needs, as well as assist with a variety of other financial needs, such as budgeting, cash flow analysis, internal controls, board involvement, and accounting services. Our experience with a diverse array of nonprofits empowers us to deliver tailored insights and innovative strategies that drive real results.

## ASSOCIATIONS

Sorren is a member of the following associations, which help CPAs perform quality nonprofit audits and recognize firms with high professional standards. We utilize the resources of each association to access best practices guidance, technical updates, and regulatory developments.

## WHO WE SERVE

We work with a broad spectrum of nonprofit organizations—from educational and research institutions to health and human services, charities, advocacy groups, and community-based organizations. Our team understands the complex financial and regulatory landscape nonprofits face, and we provide tailored support in accounting, tax, and assurance to help you stay compliant, transparent, and mission-focused.”
